## 2024 International Conference on Climate and Energy Finance (ICEF 2024)

### *Challenges and Opportunities for Energy and Climate Finance in Global South*

**May 31- 2 June 2024, Weihai, China**

We are pleased to announce that the 2024 International Conference on Climate and Energy Finance (ICEF 2024) will be held by Shandong University between May 31- June 02, 2024 in Weihai City, Shandong Province, China. The conference is an annual event organized by the ISETS Energy Finance Committee and the Society for the Studies of Climate Finance.

The first ICEF event was held in Beijing (2018) and has become the most important conference in the area of climate and energy finance. It seeks to provide a platform for international scholars to share their original research and join the debates in frontier topics. Following the successes of the past six events in Beijing (2018), Kunming (2019), Qingdao (2020), Xiamen (2021), Nanjing (2022) and Changsha (2023), we sincerely invite you to submit your high-quality original research to ICEF2024, to jointly discuss the cutting-edge areas and key issues of climate and energy finance research.

The main theme of ICEF 2024 is *Challenges and Opportunities for Energy and Climate Finance in Global South*. Papers to be considered include but are not limited to the following topics:

■ Big-data analytics in energy finance	■ Energy-resource-environmental governance
■ Climate risk and financial markets	■ Energy transition management
■ Energy market: modelling and pricing	■ Artificial intelligence
