

Pathways to carbon neutral:
Opportunities and challenges for climate and energy finance

2021 INTERNATIONAL CONFERENCE ON CLIMATE AND ENERGY FINANCE (ICEF)

24-25 April 2021

Xiamen, China

Dear Colleagues,

The International Conference on Climate and Energy Finance (ICEF) is an annual conference organized by the China Energy Finance Network (CEFN) and Chinese Society of Optimization, Overall Planning and Economical Mathematics. We are pleased to announce that the 2021 conference will be held by Xiamen University, Xiamen, China.

The ICEF conferences seek to provide a platform for international scholars to share their frontier research on the subject of Climate and Energy Finance. Following the success of the past events in Beijing (2018), Kunming (2019) and Qingdao (2020), we sincerely invite submissions of high quality, original researches to the 2021 ICEF.

Papers to be considered include but are not limited to the following topics:

<i>Big-data analytics in energy finance</i>	<i>Climate finance</i>
<i>Climate risk and financial markets</i>	<i>Carbon finance</i>
<i>Energy market: modelling and pricing</i>	<i>Energy finance and investment</i>
<i>Energy market integration</i>	<i>Environmental governance</i>
<i>Financing de-carbonization in cities</i>	<i>Green innovation</i>
<i>Household behavior</i>	<i>Pathways to carbon neutral</i>
