

# 2018 International Conference on Energy Finance

Beijing, China

2018.4.13-2018.4.15

## Call for Papers

### 2018 International Conference on Energy Finance (ICEF)

*Theme “Energy Finance: Frontiers and Future Development”*

**14-15 April 2018, Beijing, China**

Institutes of Science and Development, Chinese Academy of Sciences in conjunction with *International Review of Financial Analysis, Energy Economics, Emerging Market Finance and Trade, Chinese Journal of Management Science (In Chinese)* are pleased to announce that we are organizing a two-day conference on Energy Finance: Frontiers and future development in Beijing, China.

The conference will provide a platform for international scholars to share their frontier research in energy finance. We invite submissions of high quality, original researches.

Papers to be considered include but not limit to the following topics:

- Pricing mechanisms in the international energy markets
- Energy and financial market interactions
- Energy and other commodity market interactions
- Energy corporate finance
- Energy risks: assessment and modeling
- Carbon finance and carbon pricing
- Green finance and investment

## **Submission process and publication opportunities**

Original full papers should be submitted directly on the conference website at <http://energyfinance2018.csp.escience.cn> no later than 31 January 2018.

Selected high quality papers will be considered for publication in the special issues of one of our conjunction journals:

### ***International Review of Financial Analysis***

<https://www.journals.elsevier.com/international-review-of-financial-analysis/>
